Sinopsis

ISBN: 9780131499089

Designed to bridge the gap between theory and practice, this successful book is regarded as "the bible" in trading rooms throughout the world. The book covers both derivatives markets and risk management, including credit risk and credit derivatives; forward, futures, and swaps; insurance, weather, and energy derivatives; and more. For options traders, options analysts, risk managers, swaps traders, financial engineers, and corporate treasurers.
