This lavishly produced book with its wealth of photographs and drawings provides the first comprehensive coverage of the work of the versatile young Viennese architect Martin Kohlbauer. Underlying the wide diversity of Kohlbauer's work _ his residential, school, administrative, cultural, leisure, and industrial buildings as well as his memorials, exhibitions, and town-planning projects _ has been the architect's sheer creative energy. Kohlbauer's office, now 12 years old, has won numerous awards and built many projects.
