Sinopsis

ISBN: 0849392179

Pipits and Wagtails is the first comprehensive, one-volume guide to the twenty-six species and all subspecies that occur in the vast swath of Europe, Asia, and North America known as the Holarctic. These birds are a notoriously difficult group to differentiate, and so the authors--the world's two leading authorities in this field--have gone to exhaustive lengths to ensure that no aspect of identification has been omitted.
