Cambridge Preparation for the TOEFL® Test, Fourth Edition, helps students master the language skills they need to succeed on the TOEFL® iBT and communicate effectively in an academic setting. Using an integrated skills approach that mirrors the structure of the TOEFL® iBT, this fully revised text is ideal for classroom use and self-study. The book contains hundreds of skill-building exercises covering all of the question types in the exam and four practice tests. A supporting skills section is provided to improve grammar, vocabulary, pronunciation and study skills. The CD-ROM includes the tests from the book plus three additional practice tests in an electronic format that simulates the online TOEFL® iBT. The audio program, available on Audio CDs or Audio Cassettes, contains conversations, lectures, and all listening material for all listening exercises and test questions.
