Sinopsis

ISBN: 0131869493

The eleventh edition of Strategic Management is a current, well-written strategic management book with the most up-to-date compilation of cases available. Designed in functional four-color, it offers a popular practitioner-oriented perspective, focuses on skill-building in all major areas of strategy formation, implementation, and evaluation, and weaves three very contemporary themes throughout each chapter-globalization, the natural environment, and e-commerce.
