Sinopsis

ISBN: 9780618640799

The Sixth Edition offers a basic explanation of the legal rights and responsibilities of people in both the public and private sectors. Co-authored by a practicing attorney and a college professor, Business Law features practical and up-to-date content written in clear, straightforward language. The authors avoid using court jargon and show rather than tell students about the law with in-text examples, current and interesting cases, and ethical dilemmas.
