Sinopsis

ISBN: 9780300081930

This richly illustrated book reproduces in full color more than one hundred of Mark Rothko's paintings, prints, and drawings, including some of the stunningly simple yet enthralling rectangle paintings for which he is famous. The volume provides commentary on various formal aspects of Rothko's work, interviews with contemporary artists who reflect on Rothko's artistic legacy, and a chronology of the Russian-born artist's life (1903-1970).
