Sinopsis

ISBN: 9789701064016

World History is more than just a series of dramatic events. It is the story of the human community-how people lived on the daily basis, how they shared ideas, how they ruled and were ruled, and how they fought. World History includes big subjects like economics, politics and social change, but it is also the story of dreams fulfilled or unfulfilled personal creativity, and philosophical and religious inspiration...
