Sinopsis

ISBN: 9780471403074

This review provides a focused overview of the entire body of knowledge necessary to pass the examination leading to a professional designation in the field of business appraisal. Written by one of the five leading gurus in business evaluation, this is a self-contained workbook in outline form comprising definitions, word problems, multiple-choice questions, and in-depth explanations. --This text refers to an out of print or unavailable edition of this title.
