Now You Know Treo is the smart book for Treo 700w smartphone users. With plenty of fresh mobile ideas and savvy usage techniques, you will quickly become an on-the-go expert. It was written specifically to cover the smartphone's unique combination of Windows Mobile and Palm usability.

Open this portable book to any page and you'll find a new time-saving way to your Treo 700w smartphone. Quickly master new tricks in email, phone services, Web browsing, and a whole lot more. Now You Know Treo has it all, and it's straight from the Treo experts at Palm, Inc.

- | All the essentials: Discover how to get the most from your smartphone
- | Palm power tips: Learn shortcuts that Palm's experts use to save time
- | Hands-on skills: Put what you read into practice immediately
- | Take it with you: Use it when you need it or when you want to know something new-because the book is only twice the size of the smartphone
