Sinopsis

ISBN: 9780521669948

Exploring Grammar in Writing develops students' understanding of how genre, context and purpose affect grammatical choices in writing. The book provides 20 units of clear explanations, lively grammar practice exercises and writing tasks. Each unit focuses on a different area of writing and its typical language features. Using real written examples from the Cambridge International Corpus, Exploring Grammar in Writing helps learners improve both their grammatical awareness and their writing skills.
