Sinopsis

ISBN: 9780415363983

In Education Policy and Social Class, he brings together 16 of his key writings in one place. Starting with a specially written Introduction, which gives an overview of Stephen's career and contextualises his selection within the development of the field, the chapters are divided into three sections:

- *Perspectives on Policy Research
- * Policy Technologies and Policy Analysis
- * Social Class and Education Policy

This book not only shows how Stephen's thinking has developed during his long and distinguished career; it also gives an insight into the development of the fields to which he contributed.
