The second generation of Apple's iWork productivity suite is poised to allow mac users to create, present and publish their work with style! iWork '06 features two powerful applications for creating everything from newsletters to business presentations. With Pages 2 you can quickly create a wide variety of stunning documents and with Keynote 3 you can produce quality presentations and more. Here to show users how to take their creative projects to new heights is the only Apple-certified curriculum for the iWork '06 suite. This self-paced learning tool takes readers step-by-step through practical, real-word projects, teaching all aspects of iWork '06. Coverage includes iWorks new shared features including creating tables with calculations, three-dimensional charts and freeform shapes and masks. The reader will also learn about all of the exciting additional features including the new Apple-designed templates within Pages 2 and the new cinematic transitions in Keynote 3.
