Sinopsis

ISBN: 9783937718347

This book shows the progression of Interior Design in China. While the text dwells on the characteristics and sources, the main focus of the books is on current and modern design. Every book is divided to the chapters of private rooms, public buildings as well as hotels and restaurants. Within the chapters all projects are listed in alphabetic order of the designers and architects. Plans will be shown if available. Index with contact information.
