The Art of Pirates of the Caribbean presents a definitive, exclusive look into the preparation and production of the successful movie trilogy. Overflowing with hundreds of full-color images, the book showcases concept drawings, set designs, and costume sketches, as well as the intricate props, set pieces, and even special effects that contribute so much to the Pirates mythology. Even the cover is visually arresting_imitating the leather-covered log of a ship's captain. Also included is special commentary from the unit publicist who was there to see it all. For Pirates fans everywhere, this treasure chest of art and design from the entire movie trilogy is a visual feast that promises hours of endless browsing pleasure.
