Sinopsis

ISBN: 9780300071603

This handsome book focuses on Georges Braque's mature works, created between the end of World War II and the artist's death in 1963. A major figure in twentieth-century French art, Braque remained truthful to the principles of his early cubist paintings yet demonstrated an increased freedom and poetic quality in several major series during his later years-the Interiors, Billiard Tables, Studios, and Bird paintings.
