Sinopsis

ISBN: 9783832790660

From all over the Americas, and especially from Europe, the hip and discerning are flocking to sample Miami's glamorous dining scene. The famed Art Deco splendor of South Beach, in particular, contains gorgeous eateries the equal of those anywhere in the world. As you might expect from the unofficial capital of Latin America, there is a strong Hispanic flavor in many interiors and menus. Photographs of Miami's most stunning restaurants are accompanied by delicious recipes from its most accomplished chefs.
