If you're looking for an authorized, reliable guide to prepare you to pass the Certified SolidWorks Associate (CSWA) exam, look no further-this is the only authorized CSWA preparation exam guide on the market today. Official Certified SolidWorks Associate CSWA Exam Guide covers the key topics contained on the exam with the aim of helping readers to master each topic as well as the exam itself. The book is more than a collection of practice exam questions because it also devotes attention to the concepts and implementation details that underlie the CSWA process, providing readers with a thorough and comprehensive foundation in SolidWorks. Each chapter includes specially crafted features that introduce key CSWA exam topics, explain them in detail, give the reader an opportunity to apply them in short tutorials, and identify areas of weakness. Ideal for anyone with a basic knowledge of SolidWorks and engineering fundamentals, this book will help you get the certification you need to land the best jobs, get the best promotions, and become a successful professional.
