Sinopsis

ISBN: 9781412901857

Have you ever been asked to critique an article, book, or past project and wondered what exactly was meant by 'critique'?

Reading Critically at University provides 13 different ways of undertaking a critique. It will help you to confidently use these critique methods to develop your own methods. Each chapter contains sample passages, example critiques and explanations of underlying theory to help you to consolidate your understanding and skills.

Reading Critically at University will support undergraduate and graduate students across the social sciences, as they master different critique methods. It will also be an excellent resource for all undergraduate study skills modules.
