English Adventure is a six-level course for children learning English in primary school. It uses a range of classroom strategies and materials proven to be effective with young language learners. English Adventure aims to motivate children through the entertaining characters from the much-loved animated films of Disney. Children will listen to stories, play classroom games, sing songs, discover links with their studies and the world around them, and learn social values while communicating in English. Above all, they enjoy themselves as they set out on their own "English Adventure".

Stickers, cut outs, Picture Dictionary, and an audio CD with songs and chants. Readings in each unit and a separate content reader for Levels 5 and 7. Language presentation encourages active participation. Clear visual support. Construction of meaning. Focused language practice makes use of the engaging Disney scene.
