Sinopsis

ISBN: 9780826498588

The recent revival of interest in pragmatism has reintroduced into mainstream philosophy the insights and arguments of great American philosophers such as C.S. Peirce, William James and John Dewey. But it has also led to the use of the term 'pragmatism' in a huge variety of contexts, such that students and readers can find this fascinating subject confusing.

Pragmatism: A Guide for the Perplexed seeks to dispel some of the ambiguity surrounding the term 'pragmatism'. The book offers a clear and thorough account of this important philosophical movement. Thematically structured, it lays out the historical development and surveys the key thinkers. Crucially, it concentrates on the ways in which pragmatists, both contemporary and historical, have attempted to address some of the most important problems in philosophy. Geared towards the specific requirements of students who need to have a sound understanding of pragmatism, the book serves as an ideal companion to study of this most important and influential of movements.
