Sinopsis

ISBN: 9780415108584

The Post-Colonial Question brings together renowned and emerging critical voices to respond to questions raised by the concept of the "post-colonial." The stellar list of contributors moves from imperious histories to today's hybrid rhythms of urban life, from African-American writings to uneasy mixtures of nationalisms and religion in the post-colonial city. Together, they explore the diverse cultures and disparate narratives which shape our increasingly volatile global future.
