The Science of Getting Rich holds the secret to how economic and emotional security can be achieved in a practical, imaginative, and noncompetitive way, while maintaining a loving and harmonious relationship with all of life. By living in accordance with the positive principles outlined in this book, we can find our rightful place in the cosmic scheme and create for ourselves an environment in which to grow in wealth, wisdom, and happiness.

Rhonda Byrne, in her book and DVD, The Secret, tells how a 100-year-old book entered her life and changed it forever. Here is that book. Written in 1910, The Science of Getting Rich inspired Byrne to create her bestselling DVD, and subsequently, to write her book. She has said that it "gave me a glimpse of The Secret. It was like a flame inside of my heart. And with every day since, it's just become a raging fire of wanting to share all of this with the world."
