Sinopsis

ISBN: 9781403921550

This fourth edition of Veronica Coulshed's classic text has been meticulously revised to reflect the latest changes in social work education. Generic skills and processes such as communication and assessment are discussed alongside models and settings of practice. The relationship between theory, evidence and practice is fully explored throughout, ensuring this remains an ideal introduction for all beginning social work students as well as a handy refresher and companion for practitioners.
