Updating a kitchen is one of the first major projects a new homeowner takes on. But lots of homeowners--and renters as well--want to update their kitchen simply and without breaking the bank. In its handy format that's perfect for easy flipping and then tossing into your bag to take on a shopping trip to Ikea or Bed, Bath & Beyond, Kitchens provides 200 ideas to help you make your kitchen your own. Photos and captions packaged in a fresh design showcase kitchens that are really used make this book the best first purchase in getting the most bang for the buck in refreshing your kitchen.
