The best handbook is the one that students will use. Keys for Writers continues to build on this formula for success. In addition to offering students the clearest organization and most accessible, user-friendly features of any tabbed handbook, Keys for Writers maintains its hallmark strengths: color-coded tabs that further simplify navigation; thorough coverage of grammar in one convenient section; unique KeyTabs, which are moveable note cards and bookmarks; a wealth of convenient Key Points summary boxes throughout; concise, student-oriented writing style; and an extensive index.
