Sinopsis

ISBN: 9780415405225

The language of credit and debt is almost ubiquitous in daily life. In advanced modern societies, financial institutions and other organizations have become increasingly active in lending money to consumers, and consumers apparently more than willing to take advantage. This groundbreaking new book offers an analysis of this important phenomenon, arguing that we have entered an era in which credit and debt are sanctioned, delivered and collected through new cultural and economic mechanisms.
