Sinopsis

ISBN: 9780385504225

The Lost Symbol begins with an ancient ritual, a shadowy enclave, and of course, a secret. Readers know they are in Dan Brown territory when, by the end of the first chapter, a secret within a secret is revealed. To tell too much would ruin the fun of reading this delicious thriller, so you will find no spoilers here. Suffice it to say that as with many series featuring a recurring character, there is a bit of a formula at work (one that fans will love). Again, brilliant Harvard professor Robert Langdon finds himself in a predicament that requires his vast knowledge of symbology and superior problem-solving skills to save the day. The setting, unlike other Robert Langdon novels, is stateside, and in Brown's hands Washington D.C. is as fascinating as Paris or Vatican City (note to the D.C. tourism board: get your "Lost Symbol" tour in order). And, as with other Dan Brown books, the pace is relentless, the revelations many, and there is an endless parade of intriguing factoids that will make you feel like you are spending the afternoon with Robert Langdon and the guys from Mythbusters.
