when it comes to photography of the female form juxtaposed with cold steel, David Perry is in a class of his own. The Californian has been responsible for the finest work in its genre with a collection of books that strip away the glitz and in his latest offering 'Hot Rod Pin-Ups II - Gearhead Girls and Dragstrip Dolls', Perry delivers seriously sensual material. Cars like a 1953 Oldsmobile Rocket and selection of Ford A models, to a bullet-riddled 1937 Plymouth Five-Window form the backdrop to some provocative poses.
