Buried in Treasures outlines a scientifically-based and effective program for helping compulsive hoarders dig their way out of the clutter and chaos of their homes.

Discover the reasons for your problems with acquiring, saving, and hoarding, and learn new ways of thinking about your possessions so you can accurately identify those things you really need and those you can do without. Learn to recognize the "bad guys" that maintain your hoarding behavior and meet the "good guys" who will motivate you and put you on the path to change.
