When cartoonist Bill Watterson announced that his phenomenally popular cartoon strip would be discontinued on the last day of 1995, Calvin and Hobbes fans throughout the world went into mourning. Fans have learned to survive - despite the absence of the boy and his tiger in the daily newspaper. Now, like the wave of a sweet memory; comes one last chance to experience Calvin and Hobbes, in its final collection. Like the thirteen extraordinarily successful Watterson books that came before it, this volume promises to deliver all the satisfaction of visiting its characters once more. Calvin fans will be able to see their favorite mischief maker stir it up with his furry friend, long-suffering parents, classmate Susie Derkins, school teacher Miss Wormwood, and Rosalyn the baby-sitter. This collection, including full-color Sundays, has it all: Calvin-turned-firefly waking Hobbes with his flashlight glow; courageous Spaceman Spiff rocketing through alien galaxies as he battles Dad-turned-Bug-Being; and Calvin's always inspired snowman art. There's no better way for Watterson fans to savor once again the special qualities of their favorite strip.
