Viewed as a destructive force or an inevitability of modern society, globalization is the focus of a multitude of disciplines. A clear understanding of its processes and terminology is imperative for anyone engaging with this ubiquitous topic. Globalization: the Key Concepts offers a comprehensive guide to this cross-disciplinary subject and covers concepts such as:

homogenization  
neo-Liberalism  
risk  
knowledge society  
time-space compression  
reflexivity.

With extensive cross-referencing and suggestions for further reading, this book is an essential resource for students and interested readers alike as they navigate the literature on globalization studies.
