Best known for *The Master and Margarita*, Mikhail Bulgakov is one of twentieth-century Russia's most prominent novelists. *A Dead Man's Memoir* is a semi-autobiographical story about a writer who fails to sell his novel, then fails to commit suicide. When the writer's play is taken up for production in a theater, literary success beckons, but he is not prepared to reckon with the grotesquely inflated egos of the actors, directors, and theater managers.

Mikhail Bulgakov (1891\_1940) was a Russian novelist and playwright best known for the novel *The Master and Margarita*.

Andrew Bromfield has translated works by Boris Akunin, Vladimir Voinovich, Irina Denezhkina, and Victor Pelevin.

Keith Gessen was born in Russia and is a novelist, critic, translator, and cofounder of the literary magazine *n + 1*. He lives in New York.
