Users of Adobe InDesign will be impressed with the power, ease of use, and integration found in the new InDesign CS3, Adobe's page-design component of Creative Suite 3. Users will also find more robust file-placing capabilities, new Find features, and great new text and transparency effects, among other exciting features. Adobe InDesign CS3 for Macintosh and Windows: Visual QuickStart Guide will highlight the important new features, as well as covering the ones readers have relied on in previous versions of InDesign. Using the task-based, visual approach that readers count on in the Visual QuickStart Guides, this volume introduces readers to all aspects of InDesign CS3. Users will learn how to create and automate documents, import and style text and objects, manage long documents, export files for a wide variety of purposes, and
