Sinopsis

ISBN: 9780672329340

In just a short time you can learn how to use all the components of Adobe Creative Suite 3 (Design Premium Edition) to design, create, and edit graphics, publications, and web pages of all kinds-everything from simple brochures to entire integrated ad campaigns.

Using a straightforward, step-by-step approach, each lesson in this book builds on the previous ones, enabling you to learn the essentials of Photoshop, Illustrator, InDesign, Flash, Dreamweaver, Acrobat, and Bridge from the ground up.

"This book should be required reading for every introductory digital graphics course. Mordy has packed this book with great information for folks at all levels of expertise!"

- Sharon Steuer, author of The Illustrator CS3 Wow! Book

Mordy Golding has played an active role in the design and publishing environment since 1990. He worked at Adobe as the product manager for Adobe Illustrator and is currently a consultant and trainer specializing in Adobe Creative Suite. A production artist for both print and the Web for many years, he is an Adobe Certified Expert and Adobe Certified Print Specialist.

John Ray is a senior business analyst and developer for The Ohio State University Research Foundation. He provides custom network, security, and programming solutions for clients across the country, including the National Regulatory Research Institute and the Brevard Metropolitan Planning Organization in Florida.
