Apple's next version of its OS, code-named Leopard, will keep Mac users in the forefront of making the most from their computers. Respected, best-selling author Maria Langer takes readers through Mac OS X's groundbreaking capabilities, including new applications such as Time Machine and Spaces and revamped applications such as Mail, Dashboard, Spotlight, and iCal. With plenty of screenshots to clearly illustrate techniques, this reasonably priced guide is a great reference to the essentials of Mac OS X Leopard.

Easy visual approach uses pictures to guide you through Mac OS X and show you what to do.

Concise steps and explanations let you get up and running in no time.

Page for page, the best content and value around.
