Sinopsis

ISBN: 9780672329845

In just 24 sessions of one hour or less, you will be up and running with Visual Basic 2008. Using a straightforward, step-by-step approach, each lesson builds upon a real-world foundation forged in both technology and business matters, allowing you to learn the essentials of Visual Basic 2008 from the ground up. Step-by-step instructions carefully walk you through the most common questions, issues, and tasks. The Q&A section, quizzes, and exercises help you build and test your knowledge.

By the Way notes present interesting pieces of information. Did You Know? tips offer advice or teach an easier way to do something. Watch Out! cautions advise you about potential problems and help you steer clear of disaster.
