On Life and Living Elisabeth Kubler-Ross, M.D., is the woman who has transformed the way the world thinks about death and dying. Beginning with the groundbreaking publication of the classic psychological study *On Death and Dying* and continuing through her many books and her years working with terminally ill children, AIDS patients, and the elderly, Kubler-Ross has brought comfort and understanding to millions coping with their own deaths or the deaths of loved ones. Now, at age seventy-one facing her own death, this world-renowned healer tells the story of her extraordinary life. Having taught the world how to die well, she now offers a lesson on how to live well. Her story is an adventure of the heart -- powerful, controversial, inspirational -- a fitting legacy of a powerful life.
