As parents, we are the earth from which our children grow. How we prepare and fertilise the soil will define their relationship with the world. It will determine the nature of their lifelong conversation with the universe. Pre-school Parenting Secrets: Talking with the Sky is every parent's guide to preparing pre-schoolers for life in the 21st Century.

Best-selling authors and educators Brian Caswell, David Chiem and Kylie Bell have spent their lives in education, research and the arts. In Pre-school Parenting Secrets: Talking with the Sky, they have combined their prodigious talents to create the decade's essential guide to pre-schooler parenting, turning years of pains-taking research into simple and practical strategies, and fun activities. And the best part is that the process is FUN -- for both child and parent!
