Sinopsis

ISBN: 9780979030031

Slovakia is an increasingly important destination for the traveler interested in experiencing what "New Europe" has to offer. Whether you see yourself staying in Slovakia for a few weeks or for a few years, this companion guide provides practical information on a range of subjects to assist you in understanding life in Slovakia, smooth your transition into Slovak culture, and help you discover Slovakia's unique qualities.

This guide explains:

The Slovak people: How history and geography have shaped them.

How important is it to learn the language.

Survival basics: How to find accommodation and get settled in.

How to get around on public transportation. What the food is like.

Legal matters: How to apply for a visa or for an extended-stay permit. What you need to drive in Slovakia.

Folk traditions and culture: The kinds of holidays Slovaks celebrate and the cultural elements that are uniquely Slovak.

Social and business customs: Some basic greetings in social or business settings, and what you can expect when being invited to someone's home for dinner.

Leisure time: The kinds of different recreational activities. How Slovaks spend their free time through different seasons of the year.
