Sinopsis

ISBN: 9780415620147

In this book, David Braund offers a significantly different perspective upon the history of Roman Britain. He concentrates upon the literary evidence, which has been studied to a lesser extent than archaeology in recent years. Close attention to the Greek and Roman sources enables the construction of a new approach to Roman Britain, its history and its archaeology. For the first time, monarchy is identified as a key issue in the history of Roman Britain.
