The official guide from the makers of the TOEFL to ensure your exam success! The Official Guide to the TOEFL iBT is the leading guide to the most widely accepted English-language proficiency test in the world--the TOEFL test. Written by ETS, the makers of the test, this book includes real TOEFL test questions for practice, as well as explanations of every section of the test and information on what is expected of you for every speaking and writing task. You will learn how to construct your answers and integrate the four skills needed to demonstrate academic English-language proficiency: reading, listening, speaking and writing. The accompanying CD-ROM provides authentic TOEFL iBT test sections just like the ones you will encounter on test day.
