Sinopsis

ISBN: 9780545080811

In this easy-to-read format, adventurous readers will find themselves spotting the animals of Africa in their various habitats and observing how they interact with one another; climbing mountain peaks with wolves, ibex, and geladas; flying with the red-billed quelea; joining migrating herds crossing savannahs and deserts. Featuring simple text and full-color photography, this book connects kids with all the facts they want to know!
