It's the first day of school at Plumstead Middle School and already there's trouble. It starts with Sunny, who is determined to do whatever it will take to get herself suspended. Then there's Eddie, who has a three-point plan for fitting in, but still gets beaten up on the morning bus. Salem is all too pleased to witness Eddie's troubles--as a future famous writer, she's drawn to drama. And on top of it all, there's Pickles Johnson, who is just...well...Pickles.

These four sixth graders have only one thing in common. They're all about to report to the principal's office.
