Sinopsis

ISBN: 9780439389174

In a series that is just crawling with information, what better way to learn about colors, shapes_even numbers than by exploring the world of some very icky bugs! Colorful and detailed illustrations with entertaining text bring early concepts to life.

All the bright colors kids love are featured in this young picture book. While this book's stars may not be the cuddliest around, their gorgeous, intricate designs are sure to amaze and intrigue young readers.
