Hail to the chief! The highest title in the United States belongs to the president. Our 44 presidents came from many backgrounds and parts of the country. Here, readers will learn about all the inspiring individuals who've occupied the Oval Office _ from George Washington to Barack Obama!

Chock full of information, this accessible book chronicles each president's life and times, and even highlights some funny anecdotes. The process of electing a president is clearly explained, as is the job of a president. Which president was nicknamed "the little magician"? Which president fought in a war at the age of 13? Which president lived with a bullet in his shoulder for fifty years? In Mr. President, you will find answers to these questions and many more!
