Relive the exciting days of the "iron horse" with this ready-to-be-assembled model of a steam-driven passenger train. Over 44 inches long and printed in full color on heavy stock, this meticulously rendered replica features a locomotive, tender, passenger car, baggage car, boxcar, flatcar, and caboose. A water tower (6¼ inches tall) and station (8¼ inches x 5 inches x 4¾ inches) are also included. Only a few tools are needed and complete illustrated instructions ensure easy assembly.
