For any apprentice determined to learn the arcane arts of wizardry, could there be a better teacher than . . . Merlin himself? Originally discovered in 1588, this remarkable text by history's most respected wizard is revealed to the world for the very first time. Lavishly illustrated by four delicate artists, WIZARDOLOGY's intricate design even conceals a series of hidden symbols that spell out a secret message when their code is deciphered -- if the reader is clever enough to find them.
