Sinopsis

ISBN: 9786074731514

Take Shape is a stimulating six-level primary series in American English. With a focus on real-world themes and opportunities for students to talk about their own realities and experience, Take Shape introduces language through a variety of content-rich contexts. The series emphasizes the development of the four skills and includes graded writing activities and a program of useful catchphrases to aid fluency. There is also a complete spelling program and integrated picture dictionaries that promote lexical development with a focus on high-frequency words.

KEY FEATURES

Visually engaging Student Books with a practical and structured approach to language learning and in-built review and extension sections. Includes audio enhanced real-world e-Readers for class or home study.

Workbooks that provide students with an understanding of form and meaning through carefully graded tasks and fun activities.

Comprehensive Teacher's Editions with easy-to-follow instructions and objective-based extra activities.

Class Audio CD containing all listening texts, songs, conversations, and spelling activities.

A companion Teacher's Resource CD containing easy-to-use digital features such as animated grammar presentations and projectable posters that help the teacher deliver dynamic and successful classes. It also includes progress tests and adaptable monthly planners.
