Sinopsis

ISBN: 9781604264630

Combining timeless readings with cutting-edge, current selections, Kernell and Smith bring judicious editing and important context for students learning the ropes of American government. This collection effectively examines the strategic behavior of key players in American politics, showing that political actors, though motivated by their own interests, are governed by the Constitution, the law, and institutional rules, as well as influenced by the strategies of others.
